

Uroa Blue Adventure

Full day of discoveries, snorkeling and relax.....

Uroa Blue Adventure is a full day boat excursion with a Dhow, the traditional sailing boat used here in Zanzibar. Before leaving from the beach of Uroa a short briefing will be given.

Our team is well prepared and will accompany you through this day to discover the pristine marine life of Zanzibar and its crystal clear turquoise water, a full day of aquatic activities and new discoveries.

After boarding the Dhow set off to explore the bay of Chwaka . Depending of the tide, you can enjoy the leisurely sailing to the mangrove swamp, be ready with your camera/mobile-phones for taking pictures of different kind of birds. Then take advantage of our Crew's expertise as they guide you to the best viewing spots for snorkeling close to the local coral reef. This is an awesome opportunity to enjoy an impressive range of colorful fish and corals around the bay of Chwaka . We keep equipment of good quality and different sizes on board. This designated conservation Area has number of beautiful untouchable areas to be explored. After this amazing adventure we set off to a beautiful beach where we welcome you with a fresh green coconut (Madafu) . Enjoy a traditional Zanzibar beach-buffet with Slipper – Lobster, grilled fish, chicken beef , rice in coconut sauce , cassava , chapatti , beans , ugali and salad . Your meal is followed by a tasting of exotic fruits served at your table. During the day cold drinks are available, including Mineral Water, Beer, Wine, Sodas , Spiced tea and coffee. This day filled with opportunities to relax or to play Volleyball or Football after lunch. Weather permitting, on your return to Uroa the crew raises the lateen sail to enjoy a leisurely trip back after this eventful day.
